A Europe free of high risk roads – adopting the 3 star minimum

# European Bank for Reconstruction and Development

- to assess the current accreditation and certification systems in road safety audit
- identify and assess how local design standards and norms compare to EU Requirements
- provide capacity building to groups who can contribute to safer roads in the regions
- Albania, Bosnia and Herzegovina, FYRO Macedonia , Montenegro, Kosovo\* and Serbia

Thank you for the attention

A Europe free of high risk roads – *adopting the 3 star minimum*
