

EuroRAP: FIA Mobility Conference 2015

John Dawson, Brenda King
Reykjavik
23rd April 2015

MOBILITY
CONFERENCE
2015

LONDON
15-18 SEPT

The FIA Mobility Conference 2015 will be held in London from Tuesday 15th to Friday 18th September, jointly hosted by the FIA and FIA member organizations. In keeping with our host city, London, this year's conference theme heads "Keep Calm & Stay Connected".

The conference programme will not only present the big picture outlook for Mobility clubs in the coming years but will also drill right down to the details of how that picture might shape up for cities, for clubs and for the individual – whether they're club members or club employees.

All work and no play is no recipe for a fully productive week, however, and as ever we've built in a range of superb social events to give you the chance to relax and catch up with colleagues while enjoying a taste of the best fast-paced and exciting London has to offer.

The programme will include complete sessions and workshops presented by world class keynote speakers. It will be a unique occasion for everyone to extend their networking opportunities.

We are looking forward to welcoming you in September in London!
