

Invitation

European Road Assessment Programme (EuroRAP) enters the start of the 2nd United Nations Decade of Action for Road Safety 2021-2030. Come to the General Assembly to learn how EuroRAP is getting ready for the challenge.

On June 17th, 2021 EuroRAP will hold its annual General Assembly, at which occasion the Members will discuss the National Schemes in more detail as well as the regional partnerships including SABRINA (Safer Bicycle Routes in Danube Area), RADAR (Risk Assessment on Danube Area Roads) and SLAIN (Saving Lives Assessing and Improving TEN-T Road Network Safety) projects. EuroRAP members will have the opportunity to exchange views and experiences as well as learn more about the latest developments and innovation concerning road assessment at the European Union and global level.
